

6TH GLOBAL ARBITRATION & LITIGATION MALAYSIA 2025

 26th - 27th May' 2025

 Asian International Arbitration Centre (AIAC)

  www.globallegalassociation.org

ABOUT US

THE LARGEST NETWORK OF THE WORLD'S TOP LEGAL PROFESSIONALS, LAWYERS & LEGAL TECHNOLOGY PROVIDERS.

GLA stems from Effectual and has helped international clients in a variety of fields for more than a decade, including intellectual property rights, innovation management, research & development studies, and many others. Experts from a wide range of industries, domains, and technological fields can be found in our global network. In order to foster long-term commercial partnerships and cooperation, we provide legal professionals from all over the world with the best and most extensive platform for engagement, promotion, networking, and recognition.

The GLA family welcomes you if you have any connection to the legal sector or are a working professional in the legal, intellectual property, or R & D ecosystem.

POWERED BY

**Effectual
Services**
Intelligence That Matters

Effectual Services is an award-winning Intellectual Property (IP) management advisory & consulting firm offering IP intelligence to Fortune 500 companies, law firms, research institutes and universities, and venture capital firms/PE firms, globally. Through research & intelligence we help our clients in taking critical business decisions backed with credible data sources, which in turn helps them achieve their organizational goals, foster innovation and achieve milestones within timelines while optimizing costs. We are one of the largest IP & business intelligence providers, globally serving clients for over a decade now. Our multidisciplinary teams of subject matter experts have deep knowledge of best practices across industries, are adept with benchmarking quality standards and use a combination of human and machine intellect to deliver quality projects. Having a global footprint in over 5 countries helps us to bridge boundaries and work seamlessly across multiple time zones, thus living to the core of our philosophy - Innovation is global, so are we !!!

Effectual enables R&D leaders, Technology Scouts, and Open Innovation Teams by providing information that can help them take real time business decisions backed with credible and authentic data.

- Find innovative technology or innovations made by businesses.
- Find government scientists and university professionals to respond to our client's specific research needs.
- Cross-industry innovation: find and implement solutions from other industries.
- Find startups to invest in and work with Find ground-breaking technology
